Hobby Quest's Project Runway Summer Camp

Design your own summer classics at Hobby Quest's Fashion Design Camp!

Are you dreaming of creating one-of-a-kind outfits that will rule the runway? Do you think you have what it takes to design the next big trend, but don't know how to make your dream a reality? Join us at Hobby Quest's Fashion Design Camp, where you will learn exactly how you can make unique fashions all on your own! No experience is required for this fabulous camp, we'll teach you everything you need to know to design and create couture looks that will be unique to you! Each fashionista will create and design their very own wearable outfit, including summer staple pieces like shirts, skits, dresses, shorts or shrugs. All of the amazing looks from Fashion Week will be right at your fingertips! Because amazing fashion is meant to be shown off, we'll culminate in a fabulous runway show for friends and family, where each design diva will model their amazing outfits! To make our summer memories last a lifetime, we'll even include a DVD of the show so you'll never forget your day on the runway!

So join us this summer and discover all of the skills you need to jump start your very own fashion design career! See you on the runway!
