

Inspiring the next generation of engineers

Summer Camps at Rye Recreation!

Limited Enrollment

Register at Rye Recreation before July 31st
For info call 967-2535 or email recreation@ryeny.gov

August 11–15; Monday through Friday

Age 4 - Grade 2 (as of September 2014)

Morning session (9 a.m. to Noon): Junior Chemical Engineering
The Junior Chemical Engineering Crazy Concoction camp introduce our youngest engineers to fundamental concepts of solids, liquids, and solutions. Students investigate the properties of several crazy concoctions and make their own samples of bubbles, play dough, flub, and more.

Grade 3 - 8 (as of September 2014)

Morning session (9 a.m. to Noon): Momentum Madness
Zero to sixty in two seconds?! How fast can an object go without compromising safety? Students in this camp will work with their Pit Crew to design and build vehicles, such as dragsters and hovering levitrons, which should able to withstand astonishing speeds. Fasten your seat belt, the race has begun!

Fee: \$270 resident half day morning;
\$300 non-resident half day morning
