Hobby Quest's Fashionistas Summer Camp

Calling all fabulous fashionistas - looking for that perfect summer outfit? Learn to make it yourself!

Designing summer staples such as sunny shorts, breezy skirts and terrific tops will seem easy as you add one-of-a-kind works to your warm-weather wardrobe! We'll teach you the ins and outs of fashion design from top to bottom, head to toe - the possibilities are endless as we show you how to tap your creative genius. You'll create an entire ensemble, including shirt/blouse and skirt/shorts to show off for the rest of your vacation. And because no look is complete without a bit of flair, we'll make some fun accessories such as belts, scarves and hair pieces. Our Fashion Instructors guide you through every step of the process, from construction to final fitting. And since every young designer deserves their day on the runway, we'll celebrate the end of the season with a fashion show for friends and family!

So when the kids back at school ask you where you got that fabulous outfit you can smile and say "Oh this thing? It's just a little something I made myself"
