Dear Community Merchants and Civic Organizations,

This is Doug Scott representing the City of Rye Recreation Department. The Turkey Run is an event I look forward to every year. It is a special day in Rye where the community gets together to enjoy a fun and healthy morning!

Last year's Turkey Run event was an enormous success and very much enjoyed by over 1,200 participants who ran in the 1 mile fun run, 3.1 or 5.2 mile races or enjoyed a walk with their 4 legged friends in the Paws Walk. This year's event will take place on Saturday, November 28th!

The main reason this community road race is possible is because of the generous support of the local merchants and civic organizations in and around Rye. The financial contributions and product donations we receive help us greatly in running this event. Although we do receive a registration fee from each participant, monies are still needed to cover the race's operating expenses. Please take the time to review our sponsorship packages, attached to this letter.

The Rye Recreation Department wants to make this year's Turkey Run and Paws Walk just as memorable as the last; accordingly, we hope we can count on you once again for your support in our efforts to do so. To make a donation, please fill out the included form and return it to:
