

Upper Camp Specials 2009

Group Swim:

Children enrolled in this program will be taken to Rye Golf Club two times a week for a 30-40 minute swim period. There is limited enrollment in the swim program; all campers must be **6-week campers** to participate. Children enrolled in **summer school** **MAY NOT** participate in the swim program. The limits are due to time restrictions and safety concerns as staff to camper ratios change by the child's age. Children enrolled should come to camp dressed in bathing suits on swim days. Swim days are planned on **Monday and Thursday** between 9:00 – 11:45 a.m. **Fee: \$70**

Mad Science:

- **Robotics “RocKit Robot”:** Learn about and play with robots while we discuss what makes them different from humans. Then build the RocKit Robot. It's an intelligent robot with a touch/sound sensor. If it comes in contact with an object or hears a loud noise (such as hands clapping), RocKit Robot automatically reverses, then turns left before embarking on a new course. This class involves four 2-hour sessions (classes held at the camp site – Rye High School). **Fee: \$90**
- **Sr. Rocketry:** Have a “blast” as you discover the dynamics of rocket flight. Discuss Isaac Newton and his awesome Laws of Motion. Learn how and why rockets fly as you build your very own model rockets that you will take home at the end of the session. In this session campers will build two rockets that will be different. This class involves two 2-hour sessions (classes held at the camp site – Rye High School). **Fee: \$60**

Computers with Cyber Discoveries 2:

TechnoConcert: Campers will promote an upcoming concert tour with a star-studded lineup that includes all three of their favorite bands. Sound clips, interviews with fans and information about the bands are combined into an exceptional promotional piece. This fabulous advertisement is sure to generate excitement about this once in a lifetime event. Campers are required to bring three CD's of songs from their favorite band or singer. Children enrolled in this program will be taken to the Damiano Recreation Center one time per week for 4 weeks for a 1-hour session. **Fee: \$100**

<u>Class</u>	<u>Dates</u>	<u>Tentative Times</u>
Robotics RocKit Robot	Mon & Thu, July 9, 13, 16 & 20	1:15 – 3:15 p.m.
Sr. Rocketry	Mon & Thu, August 3 & 6	1:15 – 3:15 p.m.
TechnoConcert	Mon, July 13, 20, 27 & August 3	1:45 – 2:45 p.m.

Electives: Each camper will get to choose between 6 different programs every two weeks. These activities may take place at Rye Recreation Park, and will not interfere with any of the above specials. All activities offer specialized instruction or projects. Programs may include: field hockey, basketball, baseball, Skate Park, arts & crafts, and scrap booking. Please note that some of these programs will require special permission slips and/or equipment. You will receive additional information in June.
