Supervisor report. New floats are being built. The new lumber for the fingers has arrived. D dock needs to have some repairs done. E-row at low tide is in the mud so it may be moved in 6 feet. The spot light in the back has been installed by electrician as well as new lights. Locks were placed on the gates for safety.

Old business

There will be a pre email sent out to inform a rate change for spring. 2016 was the last time there was any increase to the fees. The deadline for payments will be extended from February 15th to march 15<sup>th</sup>. Commission agreed on the extension.

New business

Members spoke about a monthly newsletter to be sent out to keep slip holders updated on the marina and to get slip holders informed about Boat Basin Commission meeting dates.

Meeting adjourned at 19:56
