Re: The Osborn Home
101 Theall Road
Zoning Text Amendment

Dear Mayor Cohn and Members of the City Council:

This office represents Miriam Osborn Memorial Home Association ("The Osborn"), the owner and operator of the above-referenced property (the "Property"), which is the home of The Osborn's senior living development. The Osborn's facilities include memory care and assisted living, skilled nursing care, independent living apartments, and a number of associated improvements, including community facilities, office space, food preparation areas, and other support facilities needed to properly operate.

As some of you may be aware, The Osborn redeveloped its campus in 1992. Since that time, treatment methods have become more sophisticated, and the standard of care for seniors has greatly improved. The Osborn is in the process of developing its plans for the Property moving forward, to adapt its campus to current and future standards of care. As fully detailed in the enclosed letter from Matthew Anderson, President and CEO of The Osborn, it is imperative that The Osborn continues to adapt and grow with the senior care industry, in order to ensure the best care and quality of life for The Osborn's residents.

The Property is in the R-2 "One-Family" Zoning District, but is currently governed by a Declaration of Covenants and Restrictions that was put in place with the City of Rye as part of The Osborn's 1992 redevelopment. It has been suggested that the most beneficial path moving forward for all parties would be to codify the zoning and dimensional regulations that will affect The Osborn in the future.

For the foregoing reasons, The Osborn is seeking a zoning text amendment to revise the City of Rye Zoning Ordinance in order to allow for the necessary growth and adaptation of The Osborn campus to allow for the improved care of its residents. Specifically, the enclosed petition requests the addition of a new "R-2 Senior Living" use in the R-2 District. This use would be permitted by special exception use permit approval, giving the City discretion over such developments. The proposed zoning amendment also provides for bulk and height requirements to ensure that the area is improved in a manner that is compatible with surrounding uses and is not over-developed. Moreover, the zoning limits such developments to properties that meet certain criteria (at least 50 acres in size and in the R-2 District) in order to prevent such developments on incompatible sites within Rye.

Enclosed please find the following materials in support of the zoning text amendment petition hereby submitted to the City Council, together with a check for the required application fee:

- 1) Petition for Amendments to the City of Rye Zoning Ordinance (the "Petition"), together with the proposed text amendments to the Zoning Ordinance;
- 2) Letter from Matthew Anderson, dated November 28, 2018, certifying The Osborn's need for the proposed text amendments; and
- 3) Full Environmental Assessment Form ("EAF") relating to the proposed changes¹.

Kindly place this matter on the next available City Council agenda, in order for the Council to consider accepting the Petition and referral of the Petition to the Planning Commission. We look forward to discussing this important project with you.

Very truly yours,

Frank S. McCullough Jr.

¹ You will note that because the proposed action is a zoning text amendment only, several sections of the EAF are not required to be filled out. Nevertheless, we have provided as much information as possible for the Council's convenience, in order to better facilitate your review.

MIRIAM OSBORN MEMORIAL HOME ASSOCIATION
Petitioner,

**PETITION FOR
AMENDMENT TO
CITY OF RYE
ZONING ORDINANCE**

For Amendment to the City of Rye
Zoning Ordinance.

Parcel: 146-13-1-8

-----X

TO THE MAYOR AND MEMBERS OF THE CITY COUNCIL OF THE CITY OF RYE:

PETITIONER, MIRIAM OSBORN MEMORIAL HOME ASSOCIATION (“Petitioner”, or “The Osborn”), with its principal place of business at 101 Theall Road, Rye, New York 10580 hereby petitions the City Council of the City of Rye (“Rye”) for amendments to the Zoning Ordinance of Rye as follows:

INTRODUCTION

1. Miriam Osborn Memorial Home Association is a duly formed and existing not for profit corporation licensed to do business in the State of New York, with its principal place of business at 101 Theall Road, Rye, New York 10580.

2. Petitioner is the owner of a tract of land totaling approximately 55.8 acres of real property, which is the lot identified as 101 Theall Road, City of Rye, County of Westchester, State of New York, shown and designated on the City of Rye Tax Map as Tax Parcel 146-13-1-8 (hereinafter referred to as the “Property”). The Property is the site of The Osborn, a senior living facility comprised of memory care, assisted living units, skilled nursing care, independent living units, and various related community facilities.

3. The Property is located in the R-2 “One-Family” Zoning District in Rye.

4. The Property is the subject of a Declaration of Covenants and Restrictions, dated October 15, 1993, which governs the dimensional regulations for the Property. Currently, these dimensional regulations are not codified anywhere in the City’s Zoning Ordinance.

5. The Property is located on the eastern side of Theall Road, between Osborn Road and Playland Access Drive, and it extends all the way to the western side of Boston Post Road. To the west of the Property, across Theall Road, are primarily office buildings, and a few multi-family and single-family residential lots. Across Boston Post Road, to the east, are single-family houses. Immediately adjacent to the Property along its northern border are additional office buildings. Along the southern border is the Osborn school, and additional single-family homes are located to the south across Osborn Road.

6. Currently, the Property is improved with a senior living campus, comprised of assisted living, memory care, and nursing home facilities, communal buildings, and independent living units. As The Osborn has grown, it has determined that the current facilities will not be able to adequately serve its needs and its residents in the future. As a result, the Petitioner is proposing to establish a new special exception use to allow for future growth and the eventual establishment of facilities needed for the continued and improved care of The Osborn's residents.

7. Therefore, Petitioner is hereby requesting that the City Council of Rye amend the Rye Zoning Ordinance to create a new use in the R-2 Zoning District, specifically a senior living campus use as a special exception use. This use would be established specifically for the benefit of larger properties uniquely situated for such uses within the City.

EXISTING STRUCTURES AND USES ON THE PROPERTY

8. The Property is approximately 55.88 acres and is presently improved with memory care and assisted living facilities, skilled nursing facilities, several garden homes and independent living units, communal amenities, food preparation facilities, offices, equipment storage areas, limited staff housing, and associated parking, landscaping, and security features.

PROPOSED TEXT AMENDMENTS TO ZONING ORDINANCE

9. Petitioner respectfully requests the adoption of a Local Law codifying a Zoning Text Amendment consisting of modifications to the Residence District Table of Use Regulations to permit a new "R-2 Senior Living" special exception use and associated accessory uses.

10. A copy of the proposed Local Law for said Zoning Text Amendment is attached hereto and made a part hereof as Exhibit A.

11. The Zoning Text Amendment would not have any adverse impact on the Zoning Ordinance or the City of Rye for several reasons. First, the proposed Zoning Text Amendment would only affect properties of more than 50 acres located in the R-2 District.

12. In addition, the proposed Zoning Text Amendment will allow The Osborn to continue to thrive and maintain a high quality of care for its current and future residents. The Osborn has long been a member of the Rye community, and is committed to continuing its relationship with the City.

13. For all of the foregoing reasons, it is respectfully submitted that the proposed Zoning Ordinance Amendments should be granted.

WHEREFORE, Petitioners respectfully request that the City Council of Rye amend the Zoning Ordinance of Rye as set forth above.

Dated: Rye, New York
November 28, 2018

Respectfully submitted,

MIRIAM OSBORN MEMORIAL HOME ASSOCIATION

[4] The Planning Commission shall have the right to require that the owner execute agreements and covenants as it may deem to be required during any site plan approval process as it may reasonably deem to be required to ensure compliance with the stated intent of this section. Said agreements or covenants shall be recorded in the office of the Westchester County Clerk and constitute a covenant running with the land. Such covenant or agreement may be modified or released only as set forth in said covenant or agreement or by the City Council.

- (b) The site for an R-2 Senior Living Facility shall have a minimum of 50 contiguous acres.
- (c) The floor area ratio shall not exceed 0.5.

The Osborn

A tradition of gracious retirement living.

November 28, 2018

Honorable Mayor Josh Cohn
and Members of the City Council
City of Rye
1050 Boston Post Road
Rye, New York 10580

Dear Mayor Cohn and Members of the City Council:

The Osborn was formed upon the death of Miriam A. Osborn in 1892, by an act of the New York State legislature, based on instructions in her will to establish a home to care for aged gentlewomen in needy circumstances. John W. Sterling, the executor of Mrs. Osborn's will, purchased the land on Theall's Hill in Rye upon which the original Osborn building was constructed and opened in 1908. Between 1950 and 1970, the board of The Osborn sold off hundreds of acres of landholdings surrounding the current 56-acre campus to generate funds for operations. Some land was sold to large companies for office space, some was sold for development of single-family homes, and some was sold to the Rye school district, which built Osborn Elementary School.

In the 1980's, The Osborn board sought to restore the institution to fiscal health and its charitable mission by adopting a comprehensive plan named "Pathway 2000". Under this plan, The Osborn intended to renovate and expand the facility to become a continuing care retirement community providing independent living, assisted living and skilled nursing care. In the early 1990's, The Osborn developed a plan for the expansion of its facilities on the Rye campus and made application to the City of Rye for approval of that plan.

Since the 1993 Covenants and Restrictions were established and the "Pathway 2000" project was completed, both health care and senior living have changed dramatically. For The Osborn to continue to innovate, evolve, and grow in the ever-changing competitive market, as well as meet the needs of seniors in the future, it must expand and update its core services, including newer Assisted Living facilities, additional memory care services, and independent living options with varied amenities. By allowing The Osborn to grow beyond its current restrictions, the City would assist The Osborn in positioning itself properly to succeed as a premier service provider and continue to be a significant taxpayer in Rye, as well as a good community partner.

Yours very truly,

Matthew G. Anderson
President and CEO
