

NOTICE

City of Rye 2020 Purchase and Second Street Pedestrian Malls

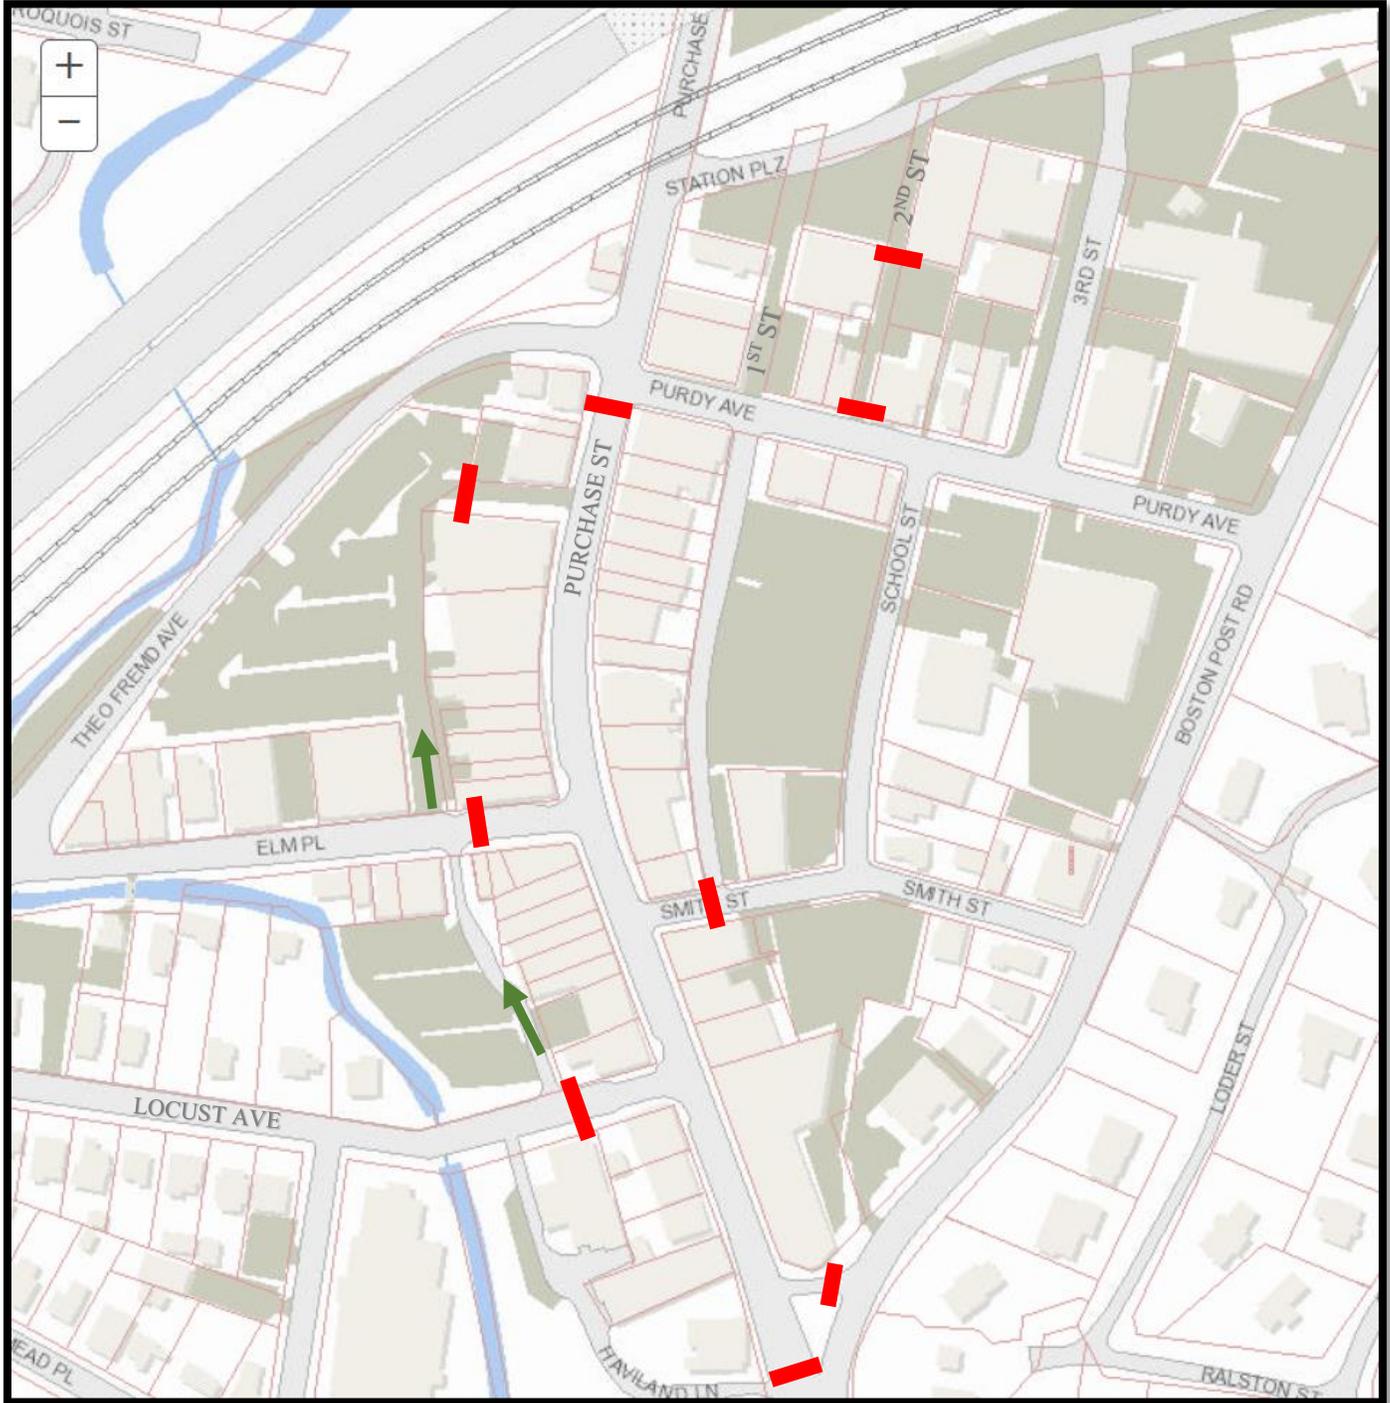

Starting June 23, 2020, the Rye City Council has authorized closing streets to vehicular traffic in the Central Business District in order to provide additional outdoor area for dining and retail establishments. The City's plan is to create a pedestrian mall on Purchase Street and Second Street as a strategy to help businesses and provide customers with new opportunities to dine and shop consistent with New York State reopening guidelines.

The plan highlights include:

- Starting June 23 the City will begin closing a portion of Second Street and Purchase Street at the Boston Post Road, Locust Avenue, Smith Street, Elm Place, West Purdy and Purdy Avenue intersections (see map).
- Within the pedestrian only zones restaurants and retailers can use designated portions of City streets and sidewalks for outdoor dining and retail sales.
- The City will maintain an area of at least 15 feet in width that will be used for a pedestrian walkway and emergency access.
- Traffic flow in the car parks on the west side of Purchase Street will switch direction.
- The City Council authorized the closure until July 19, but will consider extending the closure plan at it's July 15 meeting.
- Payment for parking will be required between 9:00 AM and 9:00 PM in the City's Carparks.
- Outdoor dining will be allowed until 10:00 PM.
