Dear members of the Council,

I am writing to you regarding the plans for the Osborn. I am a lifelong resident of Rye and the son of a resident in the assisted living facility, Marilyn P. Gerrish.

In order to stay current with market demands, especially with the growing number of baby boomers reaching retirement age, I hope that you will give due consideration to the variances sought by the Osborn. I think very highly of the institution and the services it provides.

Sincerely yours,

Campbell T. Gerrish
