MEETING CALLED TO ORDER:

Chairman Verille called meeting to order, a quorum was present.

COMMITTEE REPORTS:

Golf Committee:

- Golf course in great shape
- It has been noticed that the number of rounds is up on Tuesdays, possible because of a closed course on Monday or weather related.
- The tee times on the weekends should be monitored as to not having the same people play, and to ensure the times be allocated equitably.
- A member had made a complaint about the Pro Shop being closed 30 minutes before his 6:30 am tee time, and as it turns out, the member had a 7:00 tee time. The pro shop had opened at its appropriate time.

MANAGER REPORT:

- Limerick Open will be Friday June 5th
- Received a copy of a letter sent to the Mayor from member Peter Lane letter, regarding the pool for two membership category.
- Complaints have been received about a member (Ed Schindo) approaching other members with a survey he has created.
- Pool was closed today at 5:00 pm due to the weather, one person showed up at 5:30 pm.
- Restaurant is offering a new all day summer menu
- Starting this Sunday, The Castle is offering our NEW "Member Family Buffet" at brunch and dinner.
- Castle received a great write-up in the Westchester Magazine and Sound Shore Review.
- Membership update – we are currently behind last year and project a shortfall but have and will continue to monitor membership and budget.

NEW BUSINESS:

- Nominating committee – Pat Geoghegan was appointed committee chair, Angela Sposato who was elected in the last election and the third person will be selected by Pat. As per the governance resolution, one request to run for the board was received. Ballot will be posted on website as per resolution.
- Request for a non-player to be able to pay an observer fee and ride along with a plying member – denied

OLD BUSINESS:

- Survey results have been posted to the club's website
- Project updates are as follows:
 - Pool area paving has been complete
 - Cart Path paving will begin 5/28/09, weather permitting
 - Steel columns on restaurant deck are up and wood framing is set to start next week
 - Roof will be added to dumpster area to improve it's appearance

APPROVAL OF MINUTES:
