MEETING CALLED TO ORDER:

Meeting called to order, a quorum was present.

ANNOUNCEMENTS:

None

MEMBERS WISHING TO BE HEARD ON NON AGENDA ITEMS:

- Ed Schindo feels that the club and the current commission discriminates against seniors because the course is closed on Monday's and carts are not allowed on holes 4, 5, and 6 and the golf cart rotation policy that was in place last year. He presented a written presentation of what he spoke about and suggested the course reopen on Monday's and allow carts on 4, 5, and 6. He was asked if he was aware the weekday category actually saved 10+% in there dues? – no response, further was asked if he was suggesting opening Mondays and reinstituting the cart rotation policy? – he said no that should be done away with. He further stated he surveyed 39 people and it was pointed out that before these decisions were made the club surveyed the total membership which supported these policies. Chairman Verille thanked him for his time and comments.
- Allan Wood added that the improvements to the course are exceptional, but added that the rules are limiting to the elderly.
- eleven people were in attendance but only the above two spoke about anything.

COMMITTEE REPORTS:

Pat Geoghegan reported that the pool is operating well.

NEW BUSINESS:

- Scott noted the new deck is definitely a positive addition. It is being used for the Sunday Buffet, which has been a success, and it has also generated increased interest in catering bookings.
- Scott also noted that the Castle is on par for this year and feels the operation will be at a break even point.

OLD BUSINESS:

None

APPROVAL OF MINUTES:

Tom Kennedy motioned to approve the June 24th and July 22nd minutes, second by Pat Geoghegan - approved
