Discussion of Plans for Damiano Center

Bill Rodriguez, Recreation Superintendent, the Recreation Commission and Damiano Building Sub-Committee presented the preliminary ideas and plans for the reconstruction of the Damiano Center. Focus was on Plan C which calls for a separate addition in the rear of the building with a large room for gatherings for Seniors. There were a number of questions and a positive desire to have space that would accommodate 150 people. The plans will be further reviewed and refined and formally presented to the City Council with more specific prices at a later date.

There being no further business to discuss, the Recreation Commission meeting was adjourned at
