On November 8, 2016, Judge Ross rendered an Opinion and Order granting, in part, and denying, in part, the Defendants' motion to dismiss. Plaintiffs' claims against all of the unidentified John Does and against County Sgt. Hess are dismissed with prejudice. In addition, Plaintiffs' "Deprivation of Civil Rights" and "monell" causes of action are dismissed with prejudice as to all Defendants. Plaintiffs' false arrest claim against Chittenden is dismissed with prejudice but remains as to County Officers Lopez and Mohl. Also, Plaintiff Aguirre's claims for malicious prosecution and fair trial claims remain as to all three (Chittenden, Lopez, and Mohl). Save the Sound is alleging violations of the Clean Water Act for exceeding effluent limits under the City's SPDES permit and in violation of its MS4 permit. I submitted this matter to the City's insurance carrier for a coverage determination. Save the Sound has consented to an additional ninety day (90) adjournment in order to allow the defendants' time to answer or otherwise submit a request for permission to file a motion to dismiss. Judge Seibel has "so ordered" the new schedule. Defendants participated in an initial settlement meeting on February 25, 2016 and a subsequent settlement conference on March 17, 2016.

There have been numerous Defendants-only strategy meetings and also two settlement meetings with all parties. On Wednesday, April 20, all parties appeared in front of the Honorable Cathy Seibel in the Southern District of New York for a formal status conference and update. At the conference, the parties requested more time to conduct system wide studies regarding the condition of the infrastructure. The enlargement of time would delay the requirement for defendants to answer. The Judge agreed to this approach and was pleased that the parties appeared to be working together in a productive fashion. Plaintiffs submitted the first and second and third quarterly status reports to the Judge. There was a court appearance/status conference on February 10, 2017.

ANDERSON v. CITY OF RYE, ET AL.

Melissa Anderson filed a summons and complaint against the City of Rye, the Rye Neck Union Free School District and the Village of Mamaroneck seeking damages for personal injuries sustained while on the playground at Rye Neck Middle School. The City's insurance carrier has been notified and denied defense and indemnification since this property is not owned by the City and the City does not maintain or operate the playground equipment. During the week of May 9, 2016, I submitted an affirmation establishing ownership and maintenance of the playground property. The next appearance date is June 22, 2017.
