The Appellate Division, Second Department, handed down a Decision and Order reversing the lower court and granting the City's cross-motion for summary judgment. Notice of Entry was served on July 28, 2016. The Decision and Order confirms the City's ability to tax that portion of Rye Town Park which is occupied by Seaside Johnnies. On September 6, 2016, the City was served with a Motion for Leave to Appeal to the Court of Appeals by both the Town of Rye and the Rye Town Park Commission. The City filed its opposition papers on September 16, 2016. The Second Department has denied the Motion for Leave.

**181 NEW ENGLAND SEAFOOD CORP. v. NOREEN WHITTY, et al**

**LITIGATION**

**VENUS IRIZARRY V. CITY OF RYE, JOHN COUCH, ELIZABETH FORSTMANN, PEACHWAVE, ABC CORPORATION AND ABC PARTNERSHIP**

**CROWN CASTLE v. CITY OF RYE, ET AL.**

Crown Castle filed a summons and complaint in the Southern District of New York against the City of Rye and the City Council alleging various causes of action under the Telecommunications Act and breach of contract. On Friday May, 12, 2017, Plaintiffs moved by Order to Show Cause for a Temporary Restraining Order and preliminary injunction. A TRO was granting preserving the status quo until a decision on the motion for a preliminary injunction is decided. On June 18, 2017, Plaintiff's motion for a preliminary injunction was fully submitted.

On June 23, 2017, the City's motion to dismiss was fully submitted. A settlement conference was held with Magistrate Davison on July 18, 2017. The case did not settle. Plaintiff served a letter motion requesting that discovery proceed while the motions are pending. On September 15, the City opposed the motion and on September 19, 2017, the Judge denied Plaintiff's motion and indicated that discovery is stayed until the pending motions are decided. On Thursday October 26, 2017, Plaintiff submitted a letter motion requesting the Judge to expedite his review of the pending motions and render a decision soon as Plaintiff alleged that the City was continuing to violate the Telecommunications Act. On Thursday evening, Judge Bricetti rendered a decision stating that such motion is denied and that Plaintiff's continuing requests for an expedited review is not helping its case. On Friday December 8, 2017, Judge Briccetti dismissed the Complaint finding that the City properly started the environmental review process under the State Environmental Quality Review Act and did not deny Crown Castle's request. Plaintiff has 30 days to file a Notice of Appeal.

The damage was sustained as a result of snow, ice and ice damming damage during the winter months in 2014 and beginning of 2015. The City is seeking compensatory damages in excess of \$1 Million, among other damages. Defendant filed a Notice of Removal to the United States District Court, Southern District of New York based on diversity of citizenship and the amount in controversy exceeding \$75,000. The matter is venued in Westchester County Supreme Court. A compliance conference was held in May and a discovery schedule was established. Depositions have been completed.

AGUIRRE and SANCHEZ v. COUNTY OF WESTCHESTER, ET AL.

Plaintiffs commenced a federal lawsuit in the Eastern District of New York alleging violations of their civil rights under the Constitutions of the United States and New York State. Plaintiffs were arrested in Queens and subsequently indicted in Westchester County Supreme Court for Assault in the Second Degree and Robbery in the Second Degree. On November 26, 2012, Westchester County Court Judge Hubert issued a decision and order dismissing the indictment. On October 25, 2016, a revised discovery schedule was set and Plaintiffs' counsel had until November 2, 2016 to perfect service and until November 10 to serve responses to Plaintiffs' discovery demands. On November 8, 2016, Judge Ross rendered an Opinion and Order granting, in part, and denying, in part, the Defendants' motion to dismiss. Plaintiffs' claims against all of the unidentified John Does and against County Sgt. Hess are dismissed with prejudice. In addition, Plaintiffs' "Deprivation of Civil Rights" and "monell" causes of action are dismissed with prejudice as to all Defendants. Plaintiffs' false arrest claim against Chittenden is dismissed with prejudice but remains as to County Officers Lopez and Mohl. Also, Plaintiff Aguirre's claims for malicious prosecution and fair trial claims remain as to all three (Chittenden, Lopez, and Mohl). Judge Scanlon signed an amended Order to allow the New York State Department of Corrections more time to transfer Plaintiff Aguirre to Sing Sing Correctional Facility. The deposition of Melissa Sanchez took place on January 24, 2017. The deposition of Christian Aguirre took place on February 13, 2017 at Sing Sing Correctional Institute. The depositions of non-parties will take place over the next two to three weeks. A status conference was held on March 24, 2017 and discovery deadlines were amended. A stipulation of dismissal was filed and "so ordered" by the Judge and the releases have been signed.

CONNECTICUT FUND FOR THE ENVIRONMENT D/B/A SAVE THE SOUND v. WESTCHESTER COUNTY, ET AL.

Save the Sound commenced a federal action alleging violations of the Clean Water Act in the United States District Court for the Southern District of New York against the County of Westchester, the City of Rye, and numerous other municipalities. Save the Sound is alleging violations of the Clean Water Act for exceeding effluent limits under the City's SPDES permit and in violation of its MS4 permit. I submitted this matter to the City's insurance carrier for a coverage determination. Save the Sound has consented to an additional ninety day (90) adjournment in order to allow the defendants' time to answer or otherwise submit a request for permission to file a motion to dismiss. Judge Seibel has "so ordered" the new schedule. Defendants participated in an initial settlement meeting on February 25, 2016 and a subsequent settlement conference on March 17, 2016.

There have been numerous Defendants-only strategy meetings and also two settlement meetings with all parties. On Wednesday, April 20, all parties appeared in front of the Honorable Cathy Seibel in the Southern District of New York for a formal status conference and update. At the conference, the parties requested more time to conduct system wide studies regarding the condition of the infrastructure. The enlargement of time would delay the requirement for defendants to answer. The Judge agreed to this approach and was pleased that the parties appeared to be working together in a productive fashion. Plaintiffs submitted the first, second, third and fourth quarterly status reports to the Judge. The City's SSES has been prepared and submitted for review by DEC. The City submitted its responses to DEC on December 21, 2017. **A meeting with Plaintiffs' counsel is tentatively scheduled for January 2018.**

JEANETTE v. VERILLE

On December 3, 2015, Judge Mary Smith rendered a decision vacating the arbitrator's decision in its entirety and found that Arbitrator Barone committed misconduct pursuant to CPLR 7511. Plaintiffs filed a notice of appeal.

ANDERSON v. CITY OF RYE, ET AL.

Melissa Anderson filed a summons and complaint against the City of Rye, the Rye Neck Union Free School District and the Village of Mamaroneck seeking damages for personal injuries sustained while on the playground at Rye Neck Middle School. The City's insurance carrier has been notified and denied defense and indemnification since this property is not owned by the City and the City does not maintain or operate the playground equipment. During the week of May 9, 2016, I submitted an affirmation establishing ownership and maintenance of the playground property. On November 29, 2017, I attended a Court conference and will be making a motion to be dismissed from the case at this time.
