THE TOWN OF RYE AND THE RYE TOWN PARK COMMISSION v. THE ASSESSOR and Board of Assessment Review of the CITY OF RYE

The Appellate Division, Second Department, handed down a Decision and Order reversing the lower court and granting the City's cross-motion for summary judgment. Notice of Entry was served on July 28, 2016. The Decision and Order confirms the City's ability to tax that portion of Rye Town Park which is occupied by Seaside Johnnies. On September 6, 2016, the City was served with a Motion for Leave to Appeal to the Court of Appeals by both the Town of Rye and the Rye Town Park Commission. The City filed its opposition papers on September 16, 2016. The Second Department and the New York State Court of Appeals have denied the Town's Motions for Leave. The Second Department Decision is the final decision on this matter.

LITIGATION

VENUS IRIZARRY V. CITY OF RYE, JOHN COUCH, ELIZABETH FORSTMANN, PEACHWAVE, ABC CORPORATION AND ABC PARTNERSHIP

Plaintiff filed a summons and verified complaint naming the City of Rye as one of the defendants. CROWN CASTLE v. CITY OF RYE, ET AL. – Federal Court

Crown Castle filed a summons and complaint in the Southern District of New York against the City of Rye and the City Council alleging various causes of action under the Telecommunications Act and breach of contract. On Friday May 12, 2017, Plaintiffs moved by

Order to Show Cause for a Temporary Restraining Order and preliminary injunction. A TRO was granted preserving the status quo until a decision on the motion for a preliminary injunction is decided. On June 18, 2017, Plaintiff's motion for a preliminary injunction was fully submitted. On June 23, 2017, the City's motion to dismiss was fully submitted. A settlement conference was held with Magistrate Davison on July 18, 2017. The case did not settle. Plaintiff served a letter motion requesting that discovery proceed while the motions are pending. On September 15, the City opposed the motion and on September 19, 2017, the Judge denied Plaintiff's motion and indicated that discovery is stayed until the pending motions are decided. On Thursday October 26, 2017, Plaintiff submitted a letter motion requesting the Judge to expedite his review of the pending motions and render a decision soon as Plaintiff alleged that the City was continuing to violate the Telecommunications Act. On Thursday evening, Judge Bricetti rendered a decision stating that such motion is denied and that Plaintiff's continuing requests for an expedited review is not helping its case. On Friday December 8, 2017, Judge Bricetti dismissed the Complaint finding that the City properly started the environmental review process under the State Environmental Quality Review Act and did not deny Crown Castle's request. Plaintiff filed a Notice of Appeal to the Second Circuit Court of Appeals. Plaintiff withdrew its Appeal and there is no pending matter in the Second Circuit Court of Appeals.

CROWN CASTLE v. CITY OF RYE, ET AL. -State Court

Plaintiff filed a hybrid Article 78/Declaratory Judgment action in Westchester Supreme Court. Plaintiff has asked that the matter be assigned to the Environmental Claims Part. Plaintiff alleges that the City Council was arbitrary and capricious when it classified the action as Type II, rendered a positive declaration and started the SEQRA process. Plaintiff also argues that the City breached its obligations under the Right of Way Use Agreement when it did not issue the necessary approvals pursuant to Plaintiff's request to install additional DAS nodes throughout the City. Crown Castle filed its Memorandum of Law and Affirmation in Support of the Petition on Friday March 9, 2018. The City of Rye filed a motion to dismiss on Monday, April 9, 2018. **Earlier this week, Crown Castle filed and served its opposition to the City's Motion to Dismiss and Cross-Motion to convert the Motion to Dismiss into a Motion for Summary Judgment.**

The damage was sustained as a result of snow, ice and ice damming damage during the winter months in 2014 and beginning of 2015. The City is seeking compensatory damages in excess of \$1 Million, among other damages. Defendant filed a Notice of Removal to the United States District Court, Southern District of New York based on diversity of citizenship and the amount in controversy exceeding \$75,000. Plaintiff commenced this action under the New York Labor Law Sections 200, 240, and 241(6). Depositions were held and the City filed a motion for summary judgment. AGUIRRE and SANCHEZ v. COUNTY OF WESTCHESTER, ET AL.

Plaintiffs commenced a federal lawsuit in the Eastern District of New York alleging violations of their civil rights under the Constitutions of the United States and New York State. Plaintiffs were arrested in Queens and subsequently indicted in Westchester County Supreme Court for Assault in the Second Degree and Robbery in the Second Degree. On November 26, 2012, Westchester County Court Judge Hubert issued a decision and order dismissing the indictment. On October 25, 2016, a revised discovery schedule was set and Plaintiffs' counsel had until November 2, 2016 to perfect service and until November 10 to serve responses to Plaintiffs' discovery demands. On November 8, 2016, Judge Ross rendered an Opinion and Order granting, in part, and denying, in part, the Defendants' motion to dismiss. Plaintiffs' claims against all of the unidentified John Does and against County Sgt. Hess are dismissed with prejudice. In addition, Plaintiffs' "Deprivation of Civil Rights" and "monell" causes of action are dismissed with prejudice as to all Defendants. Plaintiffs' false arrest claim against Chittenden is dismissed with prejudice but remains as to County Officers Lopez and Mohl. Also, Plaintiff Aguirre's claims for malicious prosecution and fair trial claims remain as to all three (Chittenden, Lopez, and Mohl). Judge Scanlon signed an amended Order to allow the New York State Department of Corrections more time to transfer Plaintiff Aguirre to Sing Sing Correctional Facility. The deposition of Melissa Sanchez took place on January 24, 2017. The deposition of Christian Aguirre took place on February 13, 2017 at Sing Sing Correctional Institute. The depositions of non-parties will take place over the next two to three weeks. A status conference was held on March 24, 2017 and discovery deadlines were amended. A stipulation of dismissal was filed and "so ordered" by the Judge and the releases have been signed.

CONNECTICUT FUND FOR THE ENVIRONMENT D/B/A SAVE THE SOUND v.
WESTCHESTER COUNTY, ET AL.

Save the Sound commenced a federal action alleging violations of the Clean Water Act in the United States District Court for the Southern District of New York against the County of Westchester, the City of Rye, and numerous other municipalities. Save the Sound is alleging violations of the Clean Water Act for exceeding effluent limits under the City's SPDES permit and in violation of its MS4 permit. I submitted this matter to the City's insurance carrier for a coverage determination. Save the Sound has consented to an additional ninety day (90) adjournment in order to allow the defendants' time to answer or otherwise submit a request for permission to file a motion to dismiss. Judge Seibel has "so ordered" the new schedule. Defendants participated in an initial settlement meeting on February 25, 2016 and a subsequent settlement conference on March 17, 2016.

There have been numerous Defendants-only strategy meetings and also two settlement meetings with all parties. On Wednesday, April 20, all parties appeared in front of the Honorable Cathy Seibel in the Southern District of New York for a formal status conference and update. At the conference, the parties requested more time to conduct system wide studies regarding the condition of the infrastructure. The enlargement of time would delay the requirement for defendants to answer. The Judge agreed to this approach and was pleased that the parties appeared to be working together in a productive fashion. Plaintiffs submitted the first, second, third and fourth quarterly status reports to the Judge. The City's SSES has been prepared and submitted for review by DEC. The City submitted its responses to DEC on December 21, 2017. A conference call with Save the Sound took place on January 30, 2018 and a meeting took place on March 2, 2018 between all the municipal defendants and Save the Sound pursuant to the SO. An extension of time for the next quarterly status report was requested on behalf of all parties until the end of April. The quarterly status report was filed on April 30, 2018.

JEANETTE v. VERILLE

On December 3, 2015, Judge Mary Smith rendered a decision vacating the arbitrator's decision in its entirety and found that Arbitrator Barone committed misconduct pursuant to CPLR 7511. Plaintiffs filed a notice of appeal and the matter was perfected. Oral argument took place on March 29, 2018. We are waiting for a decision.

ANDERSON v. CITY OF RYE, ET AL.

Melissa Anderson filed a summons and complaint against the City of Rye, the Rye Neck Union Free School District and the Village of Mamaroneck seeking damages for personal injuries sustained while on the playground at Rye Neck Middle School. The City's insurance carrier has been notified and denied defense and indemnification since this property is not owned by the City and the City does not maintain or operate the playground equipment. During the week of May 9, 2016, I submitted an affirmation establishing ownership and maintenance of the playground property. On November 29, 2017, I attended a Court conference and will be making a motion to be dismissed from the case at this time.
