

Dear Parents:

My name is Gregory Bean and I am a full time staff member at Rye Recreation and the Supervisor of the 5th and 6th Grade Girls Basketball Program. I am very excited to be a part of another great year of basketball in Rye! This year we will continue to use the Milton School Gym and the Osborn School Gym for our games and practices.

Below you will find information on where your child should report for the first 5 weeks of the program. **After the initial 5 weeks of skills and drills, participants will be placed on a team and given a new practice/game schedule.** Practices and games will continue to fall within the same timeframe (5:00 – 8:30 p.m. on Tuesdays & Thursdays). **Please note the exception to the schedule for November 29th**

We will be using a website called “TeamSideline.com” to post schedules, scores and other important information about the league. **Please sign up for the 5th and 6th “2018-2019 Girls Basketball Communication List” on the website.** You will get emails and texts through this site. The link is www.teamsideline.com/rye. It is recommended that you sign up **TODAY** as this is the website we will use for all communication purposes. If you signed up for teamsideline last year, you **must do it again** this year as we do not use older communication lists.

Thank you and PLAY BALL!
